

## **5. Budget**

### **Stratton Community Garden**

#### **Budget for the Tendered Work**

The total budget for the project is £49,400 including VAT – please note we are not VAT registered and cannot reclaim the VAT.

The bid will be awarded to the organisation demonstrating the best value for money together with the ability to deliver within a reasonable timescale.

Innovation within the boundaries of the consultation results and other specifics found within the project brief will also be taken into account.

The budget above includes a 10% contingency.

#### **Budget for Planting**

The budget for planting is £4,400 including VAT – please note we are not VAT registered and cannot reclaim the VAT.

#### **Budget for Fencing**

There is no specified budget but the work will be awarded to the contractor who offers best value for money for the fencing which should be low and wooden. Please contact us for further information if you are interested in quoting for the fencing.
